

ASSEMBLY INSTRUCTIONS FOR ANTONIA SIDE TABLE <ATN-100>

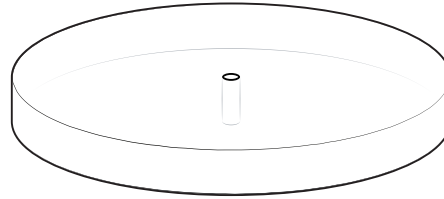

WHAT'S INCLUDED

(A)

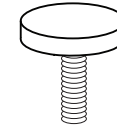

BASE

(B)

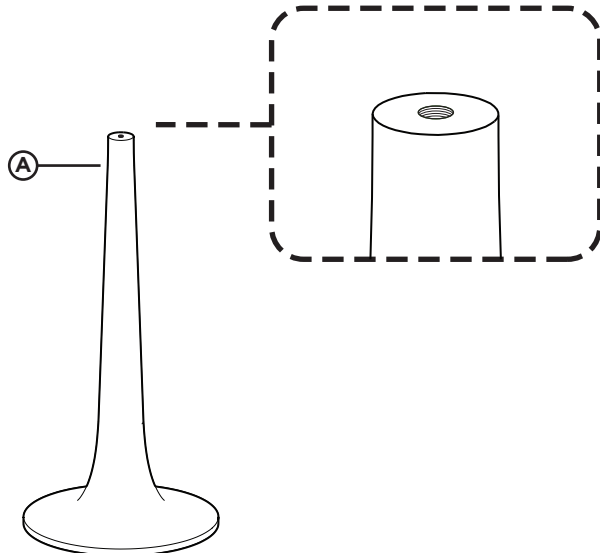

GLASS TABLE TOP

(C)

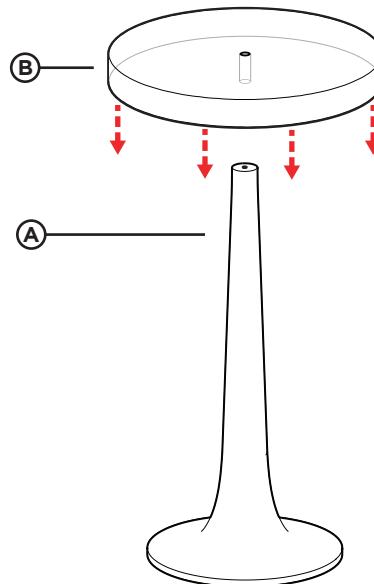

METAL CAP WITH THREADED ROD

- 1** Remove all components from packaging. Place the base (A) bottom-down on a flat surface, with threaded hole at the top.

- 2** Place glass tabletop (B) onto the base (A). Adjust so that threaded hole in base (A) aligns with hole in tabletop (B).

- 3** Screw the metal cap (C) into the hole in the base until snug. Do not overtighten. Assembly is now complete. Clean the table with a dry cloth. Do not use chemicals or abrasives.
